tinrate

Logo Guidelines 1.1

The Tinrate logo combines a stylized “t” with a navigational star, symbolizing both expert guidance and human value through time-based work. The curved and geometric form reflects trust, clarity, and forward motion, echoing Tinrate’s mission to help users discover and book top-rated experts with ease.

Primary	Secondary	Accent
#000000	#FFFFFF	#5128F2

The purple variant expresses innovation, energy, and human connection. It’s perfect for campaigns, events, or community-driven moments — when you want to highlight TinRate’s more dynamic, future-forward side.

When you want something to be read immediately,

Write it in Helvetica Neue Bold

What you want to explain, for example in the main text, write it in **Helvetica Neue Regular**
